In addition to the material I have included from today's publications, you will have the reporting in tomorrow's pubs as well as any updates which are significant during the day.
3. 1982 estimates. Included is a copy of the list of 1982 estimates you gave Judge Clark last week. I understand that you are waiting for him to get back to you on how we might better match our production schedule with policy concerns. He may be ready to respond tomorrow.
